Dancing the day away

The Silver Tappers, led by former Radio City Rockette Jeanne Evers, right, entertain residents of Wesley Enhanced Living at Chestnuthill Manor on Friday. The members of the tap dancing troupe, who range in age from 50 to 70, performed an hourlong set featuring music from several eras. Shown dancing are, from left, Joan Neuman of Effort, Pam Dunbar of Bushkill, Dorothy Durri of Bartonsville (obscured), Lily Walsh of Dingmans Ferry and Warren Francis of Effort.
